WOOSH!

A stylized comic book sound effect. The word "WOOSH!" is written in a bold, italicized, sans-serif font with a red-to-white gradient and a thick black outline. The text is centered over a starburst background that transitions from red in the center to orange at the edges. The starburst has several sharp points, with the longest one pointing upwards and to the right. A small red circle with a black outline is positioned at the end of the exclamation point, with a thin black line extending from its right side.
